# **Choosing an Application Category**

There are four application categories – "Apply for Spring Semester", "Apply for both Spring and Autumn Semesters", "Apply for Autumn Semester", "Re-apply for Autumn Semester due to changed circumstances". Please read the following instructions, select "Apply for Spring Semester" or "Apply for both Spring and Autumn Semesters" in the Spring Semester.

## "Apply for both Spring and Autumn Semesters"

If you wish to apply for both semesters, please circle "Apply for both Spring and Autumn Semesters" on the form of "Report of family Finances". In this case, you don't have to re-apply for the Autumn Semester unless there have been changes either in your circumstances or in those of your family when you submit your application in the Autumn Semester (as of October 1).

Please note that you may not receive exactly the same result for the second semester as you received in the previous semester because the application will be screened separately for each semester. Even if your financial situation is no different from that in the previous semester, the result may differ due to changes in the number of applicants or your academic record, etc.

## You cannot select "Apply for both Spring and Autumn Semesters" if any of the following circumstances apply:

- You will graduate or complete your course in September 2023. (This includes students who continued on to Shinshu University Graduate School.)
- You will take a leave of absence or drop out of Shinshu University in this academic year.
- Your financial situation or that of your family changes between the time of application in the Spring Semester (as of April 1) and the Autumn Semester (as of October 1).

# ■ If any of the following circumstances apply, please go to the office and complete the application procedures before the submission deadline for the Autumn Semester.

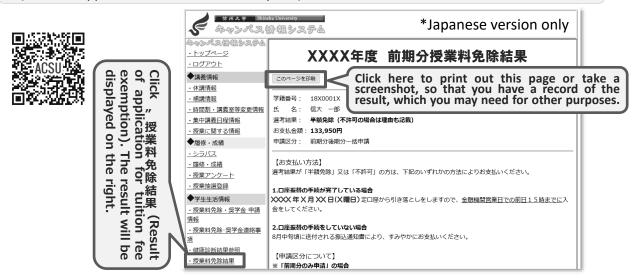

- You have applied for both the Spring and Autumn Semesters, but wish to withdraw your application for the Autumn Semester.
- You have selected "Apply for Spring Semester", there has been no change in either your financial situation or that of your family when you apply for the Autumn Semester, and so you can change your application to "Apply for both Spring and Autumn Semesters".
- · If you start receiving a scholarship, please submit a copy of the scholarship certificate.

# 4. Announcement of results and Deadline for payment

2024 AY	Announcement period of results	Account transfer schedule
Spring Semester	August 1, 2024 ~ September 30, 2024	August 26, 2024
Autumn Semester	January 10, 2025 ~ March 9, 2025	January 27, 2025

- The exemption applications are screened each semester (Spring and Autumn). Even if there is no change in your financial situation, you may get a different result each semester because of a change in the number of applicants or your academic record. Please be sure to check the results each semester.
- Application results will be announced on the Shinshu University portal site (Campus Information System) as shown below. Each applicant is responsible for checking his/her own result by PC or smartphone during the announcement period. Please note that you will not be informed of the results by telephone or post. Be sure to save a screenshot of the result or print it out, so that you can refer to it later or use it for other purposes.

Access Shinshu University's portal site <u>ACSU</u>, then log in. Click "<u>キャンパス情報システム</u>(Campus Information System)" ⇒ See "◆学生生活情報(Student Life Information)" ⇒ Click "授業料免除結果(Result of application for tuition fee exemption)"

# 5. Notes

- Students who have been punished for breaking school regulations will be excluded from the screening process.
   Even if the application was successful, the approval will be cancelled.
- The deadline for the payment of tuition fees for applicants will be extended until the results are announced. If the Tuition fee is paid before the announcement of the results, the application shall be deemed to have been withdrawn. Please note that tuition fees are not refundable.
- After application, if you decide to withdraw from, or take a leave of absence from, Shinshu University, please contact the office as soon as possible.
- The application information will be posted on the Shinshu University Student Information System, Student Support Center website, and the bulletin board. Please check the information given if you are considering applying for the next semester/year.

My mother provides my living expenses from her savings. But it is not sufficient for my living,

I am working a part-time job at restaurant to help pay my living cost.
